UM304BG High bench without backrest	1800	450	830	700

Material: Ductile iron legs; 6 tropical wooden boards of 110x35mm. Stainless steel screws.

Finish: The legs are treated with **ferrous** **fdb** which guarantees a high resistance to the rust conforming to the spray salt fog test. Grey Mar colour finished.
Tropical wood treated with a preventive product **lijenus** **fdb** fungicide and insecticide and water proofed. Natural colour finished.

Recommended anchorage: M10 fixing bolts for anchoring to the ground, depending on the surface and the project.

Optional: FSC certified tropical wood can be used if desired. 
AG3 cast aluminium legs can be used if desired.
